One Restaurant

Review Highlights - "The food at One is some of the best in the city and is consistently good; everything is cooked perfectly." "Cozy, romantic atmosphere with attentive staff. . . . Perfect evening." "The menu offered a great selection of appetizers, soups and salads; the meal was delightful. Presentation was chic, yet abundant. The white linen-draped tables are sharply accented by crisp, black napkins and arranged intimately through the restaurant, perfect for anything from a romantic date to a fun night out with friends. I was very impressed by my experience at One and would recommend it to anyone looking for a great night out in Uptown."
